

Mobile stand for TV screens adjustable up to 65". Auxiliary tray included

Height adjustable. Stainless-steel masts finished in black

Ref. PTR-08/N

Professional mobile stand to display TV screens from 32 to 65 inches with a maximum weight of 70 Kg. Fits any screen with VESA standard hole size: max 800 x 500 mm.

Our mobile TV trolley for plasma screens, LCD and LED screens is **adjustable in height and includes a tilting mount and an auxiliary tray** for holding AV equipment.

Its **two removable black poles are made of stainless steel**, guaranteeing maximum durability and resistance even when the stands are used outdoors (terraces, outdoor events, etc.). Integrated cable management.

The **base with double swivel wheels (2 with brakes)** allows the screen to be wheeled from one room to another without having to dismantle it. Our PTR-08/N mobile stand has a quick and easy installation with all necessary hardware included.

Our heavy-duty screen trolley combines an **elegant design with maximum stability and durability**. They are the perfect option for all professional applications: trade shows, conventions, conferences, meeting rooms, classrooms, seminars, exhibitions, offices, shopping centres, etc.
